To Whom It May Concern:

I had the great pleasure of supervising Elyse Dupre during her recent internship at CBS News London.

Elyse is a self-starter who embodies a great work ethic. In my opinion she has all the skills that will make her a very good journalist.

Elyse's duties in London included accompanying camera crews into the field to film breaking news and feature stories. On these occasions Elyse worked with confidence, maturity and met all her deadlines with ease.

At the network news desk Elyse fielded phone calls from around the world; transcribed key interviews; and assisted network producers in completing segments for: The CBS Early Show, The CBS Evening News, CBS Sunday Morning and the CBS Weekend News.

Elyse's internship fell during the Arab Spring and royal wedding of 2011. I can verify that Elyse works very well under tremendous pressure.

I believe Elyse would be a great asset to any news operation.

Please don't hesitate to contact me should you require any further information.

Yours faithfully,

Andy Clarke
Deputy Bureau Chief
CBS News London
